“
The real value of working with Assurance Financial is that once my clients are connected with them, I know they are in good hands and that’s one less facet of the deal that I have to worry about. They keep me updated throughout the transaction and I can easily reach them if needed.

“
Assurance is hands down my #1 preferred lender. Their attention to detail and amazing customer service make the home-buying experience easier for all parties involved.

“
At Assurance I encountered professionals that were easy to work with, very prompt about meeting deadlines, and shared the same core values as myself.

“
Assurance Financial excels in two areas that are important to me: treating my clients well and sending out regular status updates. I love that they are involved in the community and that they are available when needed.
